

Guatemala Volunteer Medical & Community Mission 2018 (Team Hope)

INTERNATIONAL
esperanza
PROJECT

115 TOTAL VOLUNTEERS

In under a week, AMN Healthcare and International Esperanza Project volunteers **changed the lives of 2,000 people**. The medical care made a powerful, immediate difference in people's lives, while the safety stoves made a long-range, significant improvement.

70 STOVES INSTALLED

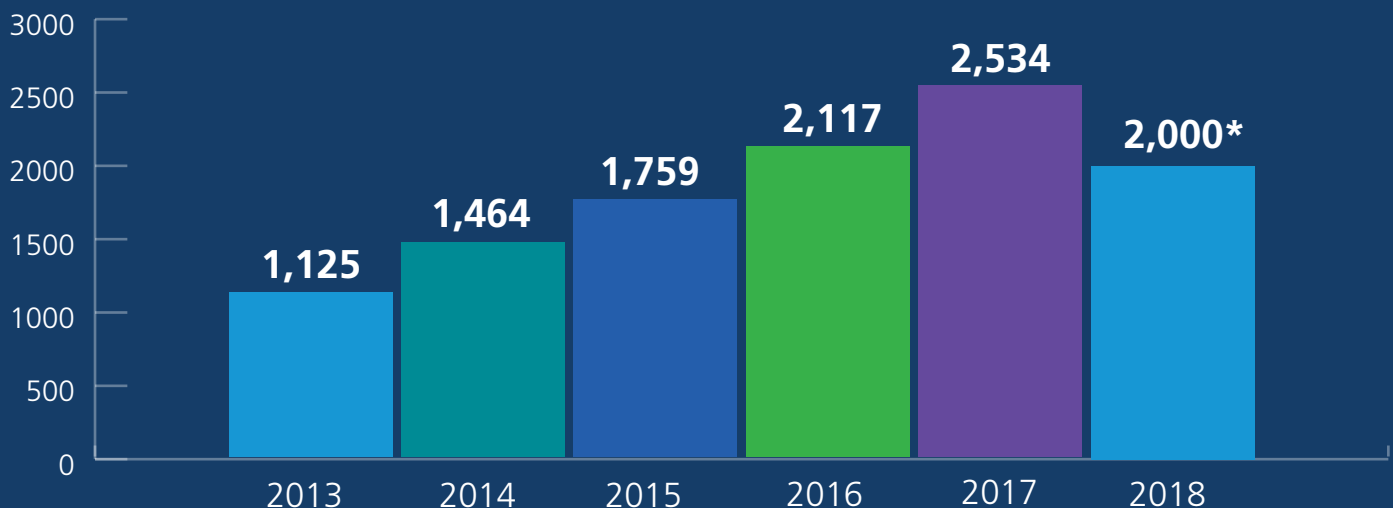

114 SURGERIES

1,401 PATIENTS TREATED

SINCE 2013 - WE HAVE HELPED 18,196 PEOPLE

*Fewer surgeries were performed in 2018 than usual due to greater complexity of cases.
